Description

In the quiet Den Tomme neighborhood, you'll find this beautiful plot with a charming chalet. Please note: the current structure is only partially permitted. Part of the building must be demolished to comply with urban planning regulations.

A new home may be built here according to the stipulations of the PRUP Den Tomme, with a maximum habitable surface of 80 m² and a maximum volume of 240 m³ (see attachment for full conditions).

The plot is pleasantly situated and offers great potential for those seeking a peaceful spot in nature with the opportunity to build something new, within current regulations.
